The special meeting was called to order at 7:30pm.

Bauer: Brandon Bauer submitted an application for a special use permit for private recreational use at 9921 Fargo Road, Corfu, NY, Tax Map #5.-1-15.112. Tom Dougherty read the correspondence of Jerry Yoder, Zoning Enforcement Officer addressed to the Planning Board. It was discussed a berm is in place and applicant advised the bench from where they shoot is within the guidelines. Mr. Yoder discussed reasonable conditions given it is a residential area and that there is not the safety distance as recommended for the use of tannerite. The applicant advised there was no bump fire stock used, while acknowledging the past use of tannerite explained it has not been used since speaking with Mr. Yoder. Jay Blatchley made a motion to forward to County Planning including the October 3, 2016 recommendations of Jerry Yoder. Brandon Calmes second. There will be a public hearing on October 17, 2016 at 7:45pm. The Board suggested a more detailed drawing or map noting distances and height of berm would be helpful.

Jay Blatchely made a motion to adjourn the meeting. Larry Stabell second. All ayes. The meeting was adjourned at 8:47p.m.
